Education

Pune Institute of Computer Technology (9.23 GPA)

Sep. 2022 – July 2026

Bachelor of Engineering in Information Technology

Pune, Maharashtra

Relevant Coursework

- Data Structures
- Database Management
- Computer Architecture
- Algorithms Analysis
- Web Development
- Operating Systems

Experience

Goanny Technologies

August 2024 – Present

Software Engineer Intern

Pune, Maharashtra

- Worked on a billing software project with the following functionalities:
 - * Added customer and agent management features.
 - * Generated invoices and quotations.
 - * Integrated payment gateways.
 - * Developed the backend using Java Spring Boot, MySQL for the database, and React.js for the frontend.
 - * Deployed the project on Amazon AWS at Billing Software.

Projects

GrowUp (Virtual Stock Market Simulator) | *React, Node.js, Flask, Express.js, MongoDB, NSE-JUGAAD Data API*

- Developed a virtual stock market simulator for users to learn and practice investing.
- Integrated real-time market data from NSE-JUGAAD Data API to provide up-to-the-minute stock prices.
- Used MongoDB for user profile management, progress tracking, and storing investment data.
- Implemented a user-friendly interface with React, Node.js, and Flask for back-end management.

TravelO (Travel Planning and Booking Website) | *React, Node.js, Express, MongoDB*

- Built a travel website that allows users to plan and book trips using advanced filtering systems.
- Developed filters for personalized searches based on location, price, and rating.
- Integrated secure payment systems for safe transactions during booking processes.
- Designed the front-end and back-end architecture using React, Node.js, and MongoDB.

Technical Skills

Languages: Python, Java, C++, HTML/CSS, JavaScript, SQL, React.js, Express.js

Databases: MongoDB, MySQL

Developer Tools: VS Code, Eclipse, IntelliJ, PyCharm, Jupyter Notebook

Technologies/Frameworks: Linux, GitHub

Leadership / Extracurricular

Publicity Head, Credenz Event

March 2024

CSI

Pune Institute of Computer Technology

- Led a team to publicize and promote the Credenz event at the University Level, reaching out to various departments and ensuring maximum participation.
- Managed promotional campaigns, both online and offline, increasing event awareness across the campus.
- Coordinated with student clubs and faculty for event logistics and sponsorship acquisition.

Organized and participated in Various Activities

December 2022 – Present

NSS

Pune Institute of Computer Technology

- Organized and participated in tree plantation drives, garbage collection initiatives, and blood donation camps to promote social responsibility among students.
- Collaborated with local authorities to implement cleanliness and sustainability projects in and around campus.

State-Level Rollball Player & District-Level Kabaddi Player

December 2020

LATUR

Shri Kishan Somani Vidhayala Latur

- Competed in state-level Rollball championships and district-level Kabaddi tournaments, representing the institute at various competitions.
- Worked on building teamwork, strategy, and sportsmanship while balancing academic responsibilities.
